

## Biography: Dr. Abdulsemed Mohammed Nur, MD

Dr. Abdulsemed Mohammed Nur, MD  
Director of WFUMB CoE, Addis Ababa, Ethiopia  
Director of Endoscopy, Tikur Anbessa Specialized Hospital  
President of Ethiopian Gastroenterology Association

Dr. Abdulsemed Mohammed Nur is a consultant gastroenterologist specialising in therapeutic and interventional endoscopy. As the Director of Endoscopy and WFUMB Addis Ababa CoE, he has played a pivotal role in integrating endoscopic ultrasound and diagnostic ultrasound into clinical practice. His expertise spans both diagnostic ultrasound and therapeutic endoscopic procedures with a focus on endoscopic ultrasound guided interventions.

Dr. Abdulsemed has published several peer-reviewed articles and has contributed book chapters on endoscopic ultrasound. He has served as a member of national technical working groups and has mentored several fellows and residents.

Dr. Abdulsemed is deeply committed to medical education and innovation. His dedication to clinical excellence, research, and medical education has made him a leading authority in his field in Ethiopia.
